"Make It With Wool"

The Make-It-Yourself-With-Wool Competition and Fashion Show was Saturday, December 2, 1978, at Longwood College in Farmville, Virginia. The competition was sponsored by the Virginia Sheep Federation and the Women's Auxiliary of the National Wool Growers Association.

Several of our Appomattox 4-H'ers participated in the wool program; they were Laurie Lynn Cowan, Maria King, Cheryl Elizabeth Walton, Bonnie Sue Drinkard, Laura Gray Walton, Laurie McLean, Jane Guill, Susan Gay Parris and a Lone Star Member, Beverly Harvey.

Laurie Cowan, a member of Falling River Community 4-H Club, placed 8th in the Pre-Teen Category. Laurie's jumper is blue with plaid pockets and bodice.

Also a member of Falling River Community 4-H Club, Cheryl Walton made a three piece outfit. Her skirt and vest are made out of red wool and her jacket is a blue, red and white plaid. Participating for her third time, Cheryl placed third in the junior category.

Bonnie Drinkard is an eighth grader at Appomattox Middle School. She made a navy blue skirt and a plaid vest to match.

Laura Walton made a two-piece plaid outfit--a skirt with side pockets and the vest has patch pockets. This was Laura's third year in the wool competition.

Jane Guill is a member of the Appomattox Senior 4-H Community Club. This year Jane placed tenth in the Junior Category. She made a rust-colored jacket and a plaid skirt.

Susan Parris is a member of Mighty Four 4-H Community Club and a sophomore at Appomattox County High School. Susan made a blue wool dress.

Beverly Harvey is a junior at Longwood College. She has assisted with the summer 4-H clothing program in Appomattox County. Beverly made a brown and white dress.

We are very proud of our 4-H'ers who participated in the wool program. Many of them had never worked with wool material before. However, with a little more time and effort, they each did a beautiful job.

Not all veterans are ex-servicemen -- some 620,000 or two per cent of the veteran population -- are women.

Veterans of the armed forces received a total of $4.7 billion in compensation during 1977 for disability incurred while in service. The amount for individuals is based on degree of disability.

Hospital based home care, a Veterans Administration program which sent medical treatment teams into homes of chronically ill patients after hospital discharge 78,000 times last year, frees hospital beds for more acutely ill veterans.

The Veterans Administration is processing compensation, pension, and education claims faster and more accurately with an automated data processing system "TARGET."

Ruritans Honor Ladies, Founders

More than 60 members of the Pamplin Ruritan Club and their wives honored club charter members, the club's 30th anniversary, and observed ladies night Tuesday, November 28th, during a dinner and special program at the Elon Baptist Church in Pamplin.

Some 30 wives of club members attended the annual ladies' night dinner meeting honoring them as the club celebrated both the 30th anniversary of the group's founding in December, 1948 and the establishment of Ruritan's first chapter in Tidewater Virginia in 1928.

CHARTER MEMBERS

The ham and sweet potato dinner served by the women of Elon Baptist Church was followed by a cake cutting ceremony recognizing the six charter members of the club.

The group, including Lynford Cumby, Austin C. Goode, J. Malcolm Inge, T. Cecil Ligon, R. E. McClenny, and J. A. Williams, cut a ceremonial two-tier birthday cake made by members' wives, Mrs. Louise Rosser and Mrs. Ruby Seymour.

Club President Ryland Womack reviewed the club's history briefly along with R. E. McClenny, Jr. and thanked the membership for their continued leadership within the Pamplin area community.

PRESENTATIONS

Following the dinner, Club President Womack and Ruritan Zone Governor Horace W. Coleman of Pamplin presented plaques of recognition and appreciation to area newspapers and radio stations for their cooperation and assistance in informing the area of club activities and projects which have helped fund and build the club's highly successful Pamplin Community Center Project athletic field complex which is now being used and enjoyed by many area teams and groups.

Awards were presented to THE FARMVILLE HERALD, THE TIMES VIRGINIAN and radio stations WFLO in Farmville and WTTX in Appomattox.

More than a dozen enlarged and framed photos were presented to club members as awards for service during the past year. John Goin, SCS, was recognized for assisting with the construction of the athletic field and Ryland Womack was given an accolade for managing the softball tournaments.
